

YourPractice

Download Our Mobile App Today

1. Use the QR code below to enter the app store *specific* to your phone type (iPhone = Apple, Android= Google)
2. Search for the app called “*Your Practice*” in the app store
3. Download “*Your Practice*” app to your smartphone.
4. Open the “*Your Practice*” app and do a name search for “*Kingston*”
5. Choose “*Pediatric Associates of Kingston, LLC*” when it appears on the following screen
6. Pediatric Associates of Kingston's app content will then download to your smartphone (this may take some time)

At any time, click on the 3 white lines on the top right of the app and select “Update Your Practice Info” for the latest updates.
